### GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

April 17, 2022

#### Easter Sunday of the Resurrection of the Lord

There are many stones in our paths that keep us from truly living and being free. Some of these boulders have been there for a very long time. They have been there so long that they have even settled into the soil of our lives with other weeds, vines, and compacted soil keeping them firmly in place. We find them hard to move and trying to do so can be exhausting. What are these suffocating albatrosses that keep us so tethered and immobile? They are many things.

They are past childhood wounds and hurts that stem from disappointment, rejection, or abuse. People may have told us we were unwanted, that the world is frightening, that there are only some acceptable feelings you can have and others you cannot. We may have tried to love someone or struggled to figure out how and were met with rejection. Maybe we trusted someone completely and were betrayed. We come to life collecting barnacles that begin to attach to other barnacles and before you know it, we have a mass of solid matter blocking our vision and keeping us from moving. We live in fear. We are afraid of losing what we have, afraid that the future will be empty, afraid that we won't succeed and even more afraid that we will not be loved. There is so much fear. Didn't Jesus tell us not to worry and to not be afraid? Either we believe in the message of Easter, or we don't!

Go confidently into the night. Walking with God you will find the light and strength you need. Often without even knowing, God will move those boulders and stumbling blocks that bind us and, with putting one foot in front of the other and looking forward, we will move. The resurrection of Christ is really all about receiving the gifts of trust and faith and doing new things. The rocks that bind us keep us spinning the same wheels and doing the same things. When was the last time you threw caution to the wind and actually did something totally out of character and different? This is where we find God, in the spontaneous, the adventurous, the fun, and the creative choices we make! God is not boring and stuck. God is exciting and engaging. Jesus Christ is risen from the dead! Find a way to trust that this is true and live. ©LPI

#### VIVIR LA LITURGIA - INSPIRACIÓN DE LA SEMANA

¡Aleluya, Cristo ha resucitado! Qué día tan glorioso y santo. La resurrección de Cristo habla de libertad, vida nueva, fe restaurada y amor perdurable e incondicional. La enorme piedra que separa la vida y la muerte ha sido movida, permitiendo que el poder radiante de Dios de la entrada a la vida eterna. Cuando vemos la verdad de la resurrección de Cristo a través de los ojos del amor, vemos la plenitud de la belleza, la verdad y la maravilla eterna reveladas. El vacío de la tumba se llena con la eternidad del amor. Tenemos muchos peñascos y piedras que bloquean el camino hacia la libertad, el amor y el gozo. A menudo son demasiado grandes para que los podamos mover y nos paralizan. Podemos dar un salto de fe hoy y creer con todo nuestro corazón, mente y alma que hay mucho más de lo que se puede ver a simple vista. Hay algo muy santo, sagrado y eterno que se agita dentro de nosotros. ¡Queremos vivir para siempre! La resurrección de Cristo nos trae gozo y nos permite vernos a nosotros mismos como debemos ser vistos, ¡como hijos de Dios destinados a la gloria! ©LPI

*This is the day the Lord has made; let us rejoice and be glad.*

*Éste es el día en que actuó el Señor; sea nuestra alegría y nuestro gozo.*

### Please help us keep this updated.
