ASAMBLEA GENERAL “ENSÉÑANOS A ORAR” HORA 8:00PM

Vivir el Año de la Oración en preparación al Jubileo 2025

CALENDARIZACION 2024

FECHA	TEMA	OBJETIVO
24 de mayo	«ENSÉÑANOS A ORAR» (Lc 11,1): UNA ESCUELA DE ORACIÓN	<p>Al acercarnos en nuestro caminar hacia el Jubileo 2025, el Papa Francisco ha querido que este año 2024 esté dedicado a la oración, invitando a toda la Iglesia a un tiempo de gran dedicación, en preparación a la Apertura de la Puerta Santa.</p> <p>Que la oración sea, por lo tanto, la brújula que orienta, la luz que ilumina el camino y la fuerza que sostiene en la peregrinación que conducirá a cruzar la Puerta Santa. A través de la oración, podremos llegar con un corazón preparado para acoger los dones de gracia y de perdón que el Jubileo nos ofrecerá, en cuanto expresión viva de nuestra relación con Dios. Sumerjémonos, pues, con la oración, en un diálogo continuo con el Creador, descubriendo la alegría del silencio, la paz del abandono y la fuerza de la intercesión en la comunión de los santos.</p> <p>Reflexionar si la sanación fue parte esencial del ministerio terrenal de Jesús, no debería sorprendernos que haya también sanación en cada Misa.</p> <p>Adentrarse en la presencia de Jesús en el Sagrario “El me mira y yo lo miro”</p>

CHARLA PARA PAREJAS — ULTIMO VIERNES DE CADA MES 2024 8:00PM

26 de abril: Educar en un ambiente de diáspora

Comenzamos un nuevo curso que nos ayudará en el desafío de educar a nuestros hijos en medio de la realidad actual: un mundo cada vez más secularizado y materialista.

31 de mayo: Educación por vivencias

Reflexionar sobre la influencia del ambiente en la educación de los hijos y de cómo el inconsciente es un aspecto muy importante a considerar.

28 de junio: Relación padres hijos

Los padres deben procurar que haya momentos y experiencias especiales junto con sus hijos, momentos significativos que marcarán la educación de estos últimos.

26 de julio: Lo que no debemos hacer

El núcleo de la familia es el amor, pero este amor debe estar lleno de respeto hacia los otros miembros de mi grupo familiar. Como padres, no debemos ser dictadores, ni padres ausentes.

30 de agosto/27 de septiembre: Paternidad responsable en el magisterio de la iglesia

Reflexionar sobre las enseñanzas del magisterio de la iglesia respect a la paternidad responsable es uno de los deberes que tenemos para crecer como familias cristianas.

25 de octubre: La familia y los constructores de la Sociedad

La familia contribuye adecuadamente a la formación de los constructores de la Sociedad en la medida en que en ella se encarna el orden social querido por Dios, asume los objetivos inherentes a ese orden, se orienta por los principios básicos del bien común y cultiva esmeradamente aquellas virtudes sociales que permiten la convivencia ordenada y pacífica de sus miembros

29 de noviembre: El ideal de matrimonio

Hoy Dios está hablando claro a través de los signos de los tiempos: apunta a la necesidad de fortalecer la familia como célula básica de la Sociedad y de la iglesia. No ignoramos que la realidad familiar está amenazada en nuestra cultura y que las leyes de divorcio imperantes en los países económica y técnicamente más desarrollados, son uno de los tantos signos de desintegración familiar que cada día se van imponiendo más y más en nuestro ambiente.
