Pray for an increased care for the *planet's resources*

The liturgy itself teaches us this, when, during the presentation of the gifts, the priest raises to God a prayer of blessing and petition over the bread and wine, **"fruit of the earth," "fruit of the vine" and "work of human hands."**

With these words, the rite not only includes in our offering to God all human efforts and activity, but also leads us to see the world as God's creation, which brings forth everything we need for our sustenance.

The world is not something indifferent, raw material to be utilized as we see fit.

Rather, it is part of God's good plan, in which all of us are called to be sons and daughters in the one Son of God, Jesus Christ (cf. Eph 1:4-12).

(Pope Benedict XVI, Sacramentum Caritatis [The Sacrament of Charity], no. 92)

Ora por un mayor cuidado de los recursos del planeta
