MISSION OPPORTUNITY: The Mission St. James team will be serving with the Glenmary Home Missioners outside of Knoxville, Tennessee this summer during the week of August 6-12. This mission serves the unchurched and impoverished of the Appalachian regions. We are looking to establish a team of parishioners who are committed to serving the poor through service, evangelization, and labor. If you are not a skilled carpenter or plumber, no worries! The trip will consist of a variety of service opportunities, and we need all types of skill sets, including (but not limited to) cleaning, manual labor, evangelization, and care for children/elderly. If you are interested, please plan on attending our **first mandatory meeting on Thursday, April 13, at 6:30PM in the conference room.** Please contact Taylor Lilly if you have any questions at tlilly@stjamesconway.org.

You truly exemplify the words "What Would Jesus Do" with your compassion and giving. this donation will help many young mothers and their children.

At Neighbor to Neighbor, our mission is to promote independence, relieve isolation and connect homebound adults to their community through transportation and technology.

And guess what??

YOU are what makes that mission possible! Through volunteers like you, we are able to ensure that seniors and adults with disabilities remain connected to their community by:

- Providing rides to important appointments
- Delivering pantry items
- Making wellness calls, or friendly phone calls
- Providing home visits to spend quality time & assist with things around the house

Volunteering even just one day a month this year WILL make an impact on the life of a senior or adult with disabilities in your neighborhood.
