## HIGH MASS

Have you noticed a few changes at the  
9:00AM Sunday Mass?

With the Eucharistic Revival in full gear, we are being called to renew our love and reverence for Jesus' presence in the Eucharist. We have implemented a few changes in the 9:00AM Mass to help focus our attention on this. One such change is the use of incense. The smoke of incense is symbolic of sanctification and purification. It also symbolizes the prayers of the faithful. It is an outward sign of spiritual realities. When we see incense at Mass, it reminds us of heaven; indeed, it should remind us that our worship of God in the Christian liturgy is divine in origin. Incense also reminds us to that our prayer rises to God like the smoke from the censer, purifying our worship of Him, and allowing the Holy Spirit to work in us and make us holy.

**The Eucharist is also a sacrifice of the Church-the Body of Christ with Christ as its Head.** In the Eucharist, the sacrifice of Christ becomes also the sacrifice of the members of His Body –their lives, praise, sufferings, prayers and work –all united with those of Christ. The Eucharist is offered through the hands of the priest in the name of the whole church –those ordained and consecrated to Him, the living, the faithful departed, the saints –in an unbloody and sacramental manner until Christ himself comes. Participation in the celebration of the Sunday Eucharist by the community is a testimony of belonging and of being faithful to Christ and to His Church. "The Eucharist is the link that binds the Christian family together. Take away the Eucharist and you have no brotherliness left." (St. Peter Julian Eymard, Mass appreciation Guide) (Resource: The Catechism of the Catholic Church)
