**Lenten Study-Beginning February 24**

There is an essential connection between our faith and the way we put love into action in the world. During Lent, join us as we who seek to better understand the connections between the celebration of the sacraments, our call to holiness, and our social mission as followers of Jesus and members of the Body of Christ. Each week we will take a look at a different sacrament and discuss how, especially during the journey of Lent, God is calling us to live the Gospel and be joyful disciples. Everyone is invited to attend this study which will take place every Friday during Lent (beginning February 24 and ending March 31). You may choose to attend at 10:00AM (following daily Mass) or in the evening after Stations of the Cross and the Soup Dinners. To register, please contact Taylor Lilly at [tlilly@stjamesconway.org](mailto:tlilly@stjamesconway.org) or by phone at (843) 347-5168, ext. 235.

### Parish Nurse Health Awareness Tip

**February is "American Heart Month."**

Cardiovascular disease is the leading cause of death in America. Risk factors for heart disease include high blood pressure, high cholesterol, diabetes, smoking, excessive alcohol use and genetic predisposition. You can take an active role in reducing your risk for heart disease. Here are 7 ways to keep your heart healthy: eat a heart healthy diet, get physical exercise every day, stop smoking, maintain a healthy weight, keep your blood pressure under control, keep your cholesterol in a healthy range, keep your blood sugar in a healthy range. And don't forget to see your physician for regular check-ups and screenings. For more information, contact the American Heart Association at 1-800-242-8721 or [heart.org](http://heart.org).
