

January 28, 2024

An excerpt from Bishop Robert Barron (2023) - I would like to take this opportunity to sing the praises of Catholic schools and to invite everyone—Catholic and non-Catholic alike—to support them. I am convinced that, especially now, when a secularist, materialist philosophy largely holds sway in our culture, the Catholic ethos needs to be inculcated. ***We (Catholic schools) interpret everything—politics, the arts, culture, etc.—from the standpoint of the sacrifice of the Son of God.*** To read more about why Catholic Schools Matter, please see: [Why Catholic Schools Matter - Word on Fire](#)

YOUTH PRAYER

I Can't Do Anything Right

God:

It feels like I can't do anything right, like I woke up in a parallel universe or something. Help me to remember today that wherever I am, you are there, And that your love for me doesn't depend on what I do. You love me just because I am. Amen
