Be watchful! Be alert! The core message of Advent cannot be more direct or simple. As those who are postured in a spirit of readiness and anticipation, we must always be attentive and vigilant. We have to be ready not only for the anticipated arrival of our Lord, but watchful and attentive to the unexpected visit as well. While we know that the Christ is coming, we also do not know the exact time. Cultivating this expectant attitude is the purpose of this season. It is easy to grow slack, inattentive, and too self-assured. We can easily deaden ourselves to the wonder and surprise of God's presence. We get so absorbed in so many other distractions that it can seem like Christ's second coming, and even Christ's coming in time are of lesser importance. When it finally dawns on us that we have wandered far away from where we need to be, and lost our attentiveness and focus, we will wonder how this all happened. We may even try to put the onus on God and blame God for a lack of involvement or presence. We are the ones, who through our own choice, put the distance in our relationship and lost touch. Now it's time to come back and perk ourselves up a bit! ©LPi

MEDITACIÓN EVANGÉLICO

¡Adviento es estar preparados! Hoy damos comienzo a un nuevo año litúrgico. Cabe, pues, decir a todos ustedes, ¡Feliz Año Nuevo! Si, ojalá sea nuevo en nuestra forma de vivir y de esperar. Todo ha cambiado en este 2020. Nada es igual en la familia y en la sociedad. Ahora debemos cuidarnos más, y estar listos para tanto cambio lleva tiempo, pero es bueno prevenir para no enfermarnos. El virus tomó a muchos desprevenidos, su sufrimiento y muerte ayudó a otros a prepararse, a poner cuidado. Usar la mascarilla, lavarse las manos, tomar precauciones de distancia es vivir este Adviento vigilando y manteniendo la esperanza. Damos comienzo al Evangelio de Marcos, comienza el ciclo "B." Nos habla de un hombre que se va al extranjero y deja instrucciones y diferentes responsabilidades a sus sirvientes. Marcos, en este ciclo y Mateo, en el año que termina, hablan de velar porque no se sabe cuándo llegará el momento. Sin embargo, Marcos sitúa el retorno del Señor durante la noche. Recordemos que parte de la audiencia de Marcos eran los romanos. Por eso menciona cuatro vigiliass—al atardecer, a media noche, al canto del gallo, o de madrugada. Esto quiere decir, estar despiertos siempre sin bajar la guardia, velando. Velar, quiere decir estar despierto mientras otros duermen. Ojalá, que al encender la corona de Adviento en la parroquia y en casa, nos esforcemos por tener presente el deseo de que brille la luz del Señor y nos salve. Que crezca en nosotros la actitud de vigilancia por el hermano y hermana que sufre. ¿Qué haré en este Adviento para estar atento a lo que Dios me pide? ©LPi
