Be SMART Gun Safety Seminar

The Social Justice Ministry is hosting a free seminar for all parents, grandparents and, any adult interested in attending, on normalizing conversations about gun safety and taking responsible actions that can prevent child gun deaths and injuries. The Be SMART campaign was launched to raise awareness that secure gun storage—storing guns locked, unloaded and separate from ammunition—can save children's lives. Be SMART emphasizes that it's an adult responsibility to keep kids from accessing guns, and that every adult can play a role in keeping kids and communities safer. The Be SMART program will be held at St. James on Sunday, September 18, at 10:00AM (room to be determined). We invite ALL in our community to attend! For any questions, please contact Taylor Lilly.
