

Empowering God's Children-Teaching Touching Safety

Each year, St. James Catholic Church, in accordance with Safe Environment protocols laid out by the Diocese of Charleston, provides safety education for all students registered in Faith Formation Classes and Youth Ministry Programs. These classes cover topics that help educate youth about how to stay safe in different aspects of their life. This year's lesson is entitled, "Secrets, Surprises, and Promises".

This course will be offered for **students attending in person faith formation classes** during the 2020-2021 school year on **Sunday, September 27th** with a makeup date of October 11th. If you ***DO NOT**** want your child to attend this class, please sign and return this form to the Faith Formation Office:
